SUBJECT: Information regarding the processing of personal data of users who visit CELME SRL website and the use of cookies, with regards to the protection of personal data pursuant to article 13 of Regulation EU 2016/679.

PRIVACY - USE OF COOKIES

We wish to inform you the EU REG. 2016/679 (GDPR) provides for the protection of subjects with regards to the processing of personal data. According to the above indicated regulations, such processing will be based on the principles of correctness, lawfulness, transparency, and the protection of your privacy and your rights. Pursuant to article 13 of EU REG. 2016/679 (GDPR), we therefore provide you with the following information.

WHAT COOKIES ARE

Cookies are small strings of text that the sites visited by the user send to the user's terminal (usually to the browser), where they are stored and then retransmitted to the same sites the next time the same user visits them. When browsing a site, the user can also receive cookies that are sent from different sites or web servers (so-called "third parties"), which may include elements such as images, maps, sounds, specific links to pages of other domains) present on the site that the user is visiting. The two macro-categories are: "technical" cookies and "profiling" cookies.

Technical/analytical cookies

These cookies are used for the sole purpose of "transmitting a communication over an electronic communications network, or to the extent strictly necessary for the provider of an information company service explicitly requested by the subscriber or user to provide that service. They are not used for other purposes and are normally installed directly by the owner or operator of the website. They can be divided into navigation or session cookies, which guarantee normal navigation and use of the website (allowing, for example, to make a purchase or confirm your identity to access restricted areas); analytics cookies, assimilated to technical cookies when used directly by the site manager to collect information, in aggregate form, regarding the number of users and how they visit the site; functionality cookies, which allow the user to navigate according to a series of selected criteria (for example, language, products selected for purchase) in order to improve the service provided.

Prior consent of users is not required for the installation of these cookies, while the obligation to provide information pursuant to art. 13 of the GDPR regarding the protection of personal data remains, which the site operator, if he uses only such devices, will be able to provide in the manner he deems most suitable.

Profiling cookies

Profiling cookies are aimed at creating profiles related to users and are used to send advertising messages in line with the preferences expressed by the same when surfing the net.

European and Italian legislation provides that users must be adequately informed about their use and thus express their valid consent.
